Written Testimony
 Aloha,
 I oppose Council Bill 52 (2017). One of the primary reasons that I purchased a historic home in Historic Ewa Villages is to save money on Property Taxes. Living in a plantation home in Historic Ewa Villages and saving on property taxes is important. This is a lower income location, please help us to save some money. A \$1000 is pennies for a historic home in high income locations like Manoa or Kahala, but for Ewa Villages, it is a big hit up from \$300. It has already gone up from \$100 to \$300, please keep it the same for our lower income location in Ewa Villages.
